

THE PROBLEM

In opaque supply chains
people & planet are exploited.
Today commerce and impact
are disconnected.

PROVENANCE MISSION

We exist to drive public
transparency in an accessible,
trustworthy format.

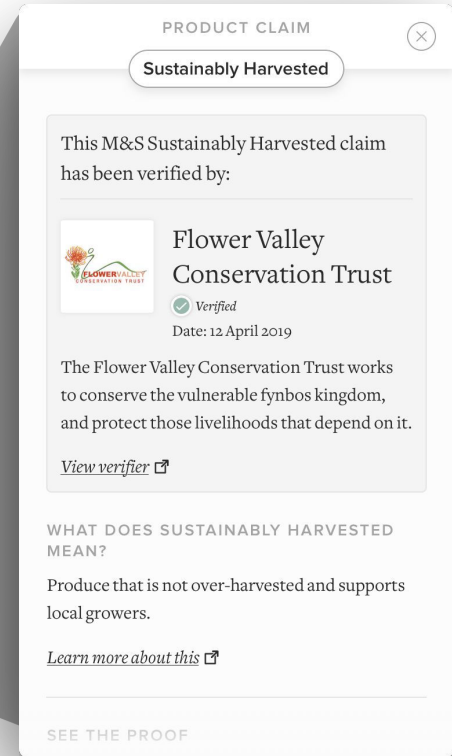

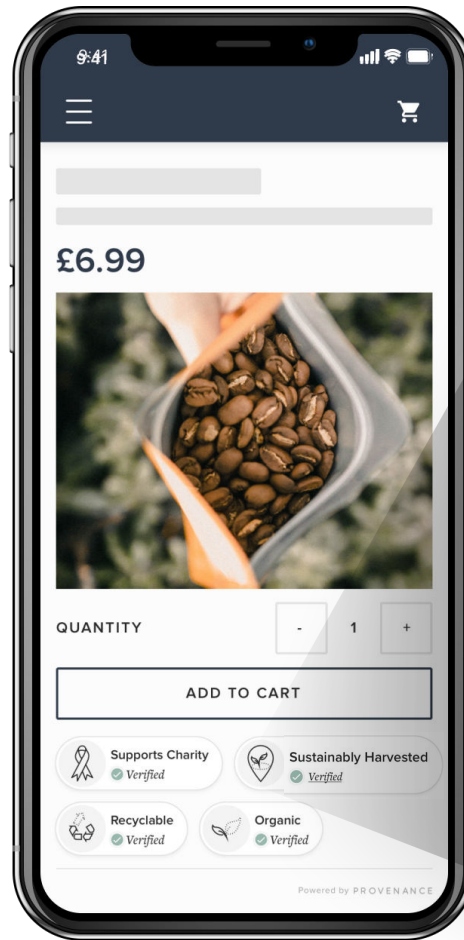

Enabling impact-led
commerce.

PROOF POINTS

Bringing consistent, proven impact to products in a way that's designed for the digital age.

A GLOBAL PLATFORM COUPLING IMPACT WITH SALES

Software service used by over **200** businesses, **35** verifiers, reaching **thousands** of citizens.

REAL SOCIAL GOOD

20 high labour risk commodity supply chains (coffee, tea, seafood and apparel manufacturing).

Directly and indirectly, impacted the lives of over **77,000 workers** (agricultural smallholders, fishermen, miners, seamstresses, factory workers) across **17 countries** to date.
